**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive internet provider for they are local and I am big on supporting my local business. I believe in competitive businesses and industries. Competition should not be eliminated even from internet services. In doing so prices will skyrocket as if internet services are way too costly as it stands. Eliminating competition also opens the gates for monopolizing an industry.
